After stealing-IS THAT REALLY TOO STRONG A WORD/CONCEPT?- the GUIinterface from Apple (which Apple paid for the early research and futher perfected!) and foisting continually crappy software and ignoring virus/security and destroying countless lives and businesses thru its'longtime corrupt and illegal business practices. it is so nice to see the government of the PEOPLE-FOR THE PEOPLE let MICROSOFT OFF THE LEGAL HOOK and in the process to slip its' crappy practices into the educational system therby hurting APPLE. MAY YOU ALL LIVE LONG ENOUGH TO REALLY REGRET IT AS MUCH AS THOSE THEY HAVE ALREADY HURT/DESTROYED.
